

Request for Statement of Interest (SOI)
Kane County Division of Transportation (KDOT)
2018 Highway Safety Improvement Program (18-00493-00-SP)

The Kane County Division of Transportation is in need of professional services from a qualified consultant to provide Phase I and Phase II design engineering services. The project includes systemic safety improvements to Orchard Road from just south of Jericho Road to just north of Route 30, as well as work to Fabyan Parkway at Route 31.

The 2–page Statement of Interest document shall be submitted electronically via KDOT QBS no later than 4:00 pm on March 30, 2018. If you plan to enter into a joint venture with another firm for this project please note this on your Statement of Interest, including the name of the firm you are entering into a joint venture with for this project. The Short-listed firms will be posted on our Consultant Selection Summary Table website at <http://www.co.kane.il.us/dot/SOISummary.aspx>.

Any new firm interested in doing work with the Kane County in regards to this or any other future professional service, must first submit their Prequalification Document to Kane County by following the instructions found at <http://kdot.countyofkane.org/Shared%20Documents/QBS.pdf>. The prequalification document will be reviewed and approved in a short period of time if the appropriate documentation was provided. Each firm must first be prequalified in order to electronically submit their Statement of Interest via KDOT QBS no later than the deadline described above.

More information regarding the Qualifications Based Selection process may be found at <http://www.co.kane.il.us/dot/consultant.aspx>.

Firms interested in providing services to Kane County are hereby notified of the Kane County's Ethics Ordinance No. 10-206, in particular, Section 10, page 15. Only the firm that is ultimately selected for these professional services will be required to provide the Ethic Ordinance information directly to the Kane County Division of Transportation as part of the consultant services agreement. The complete Ethics Ordinance No. 10-206 document is available online at the following link [Kane County Ethics Ordinance](#).

A Statement of Interest (SOI) received after the above noted deadline will not be used as part of our consultant selection process.

Please refer to the following Project Description for more information on this project.

PROJECT DESCRIPTION

The Kane County Division of Transportation was awarded approximately \$1,000,000 in Highway Safety Improvement Program (HSIP) funding for improvements to Orchard Road and Fabyan Parkway. On Orchard Road, from south of Jericho Road to north of Route 30, the safety improvements will consist of the installation of flashing yellow arrows at intersections and wet reflective pavement markings. For Fabyan Parkway, at Route 31, the work consists of the placement of signal heads at the center of each lane, yellow flashing arrow, the installation of advanced warning flashers with a wig-wag light and the installation of a dilemma zone detection system at the intersection.

The abbreviated phase I and complete phase II services will be locally funded, but utilize the federal aid process as phase III is federally funded. The project will be completed under applicable IDOT guidelines, including the BLR and BDE manuals, as well as KDOT standards.

The **Scope** includes, but is not limited to the following:

- Detailed surveys, as necessary, for the planning and design of the project
- Analysis of crash data and review of any available speed studies
- PESA and PSI
- Soil/pavement investigations, as necessary, to determine roadway section and structural design
- Complete all necessary (Phase I) Categorical Exclusion Group I (CE I) documentation and associated environmental compliance reports
- Estimate of construction cost
- Obtain clearances (and permits) from all regulatory agencies as required by the scope of the proposed improvements
- Submit and coordinate all necessary permit requests for any work required outside Kane County right of way
- Coordinate with Kane County, municipalities, and other involved parties/agencies as necessary
- Preparation of preliminary, pre-final and final plans.
