

Kane County Division of Transportation
Request for Statement of Interest (SOI)

Longmeadow Parkway
Toll Bridge Operations Support Services

The Kane County Division of Transportation is in need of professional services from a qualified consulting firm to provide Toll Bridge Operations Support Services for all aspects related to the successful implementation of the Longmeadow Parkway Toll Bridge (see "Project Description" below for further details). The County anticipates starting this work in spring 2019 and having a maximum duration of 36 months. For more information regarding the Longmeadow Parkway Bridge Corridor and Toll Bridge, please refer to our website at:

<http://www.co.kane.il.us/dot/foxBridges/longmeadowPkwY.aspx>

<http://kdot.countyofkane.org/Longmeadow%20Parkway/LMP%20Final%20M%20and%20R%20Studies.pdf>.

The 2–page Statement of Interest document shall be submitted electronically via KDOT QBS no later than 4:30 p.m. on Wednesday, February 6, 2019. If you plan to enter into a joint venture with another firm for this project please note this on your Statement of Interest, including the name of the firm you are entering into a joint venture with for this project. The Short-listed firms will be posted on our Consultant Selection Summary Table website at <http://www.co.kane.il.us/dot/SOISummary.aspx>.

Any new firm interested in doing work with the Kane County in regards to this or any other future professional service, must first submit their Prequalification Document to Kane County by following the instructions found at <http://kdot.countyofkane.org/Shared%20Documents/QBS.pdf>. The prequalification document will be reviewed and approved in a short period of time if the appropriate documentation was provided. Each firm must first be prequalified by Kane County in order to electronically submit their Statement of Interest via KDOT QBS no later than the deadline described above.

More information regarding our Qualifications Based Selection process may be found at <http://www.co.kane.il.us/dot/consultant.aspx>.

Firms interested in providing services to Kane County are hereby notified of the Kane County's Ethics Ordinance No. 10-206, in particular, Section 10, page 15. Only the firm that is ultimately selected for these professional services will be required to provide the Ethic Ordinance information directly to the Kane County Division of Transportation as part of the consultant services agreement. The complete Ethics Ordinance is available online at the following link at <http://www.countyofkane.org/Pages/ethics.aspx>.

A Statement of Interest (SOI) received after the above noted deadline will not be used as part of our consultant selection process.

Project Description

This work will primarily consist of determining and then leading our agency through all of the various activities required to successfully implement a new toll bridge facility. The Longmeadow Parkway Toll Bridge is anticipated to go-live in early 2022. These services will likely be a combination of on-call toll bridge operations support services, along with the development and completion of known tasks, such as:

- Development of comprehensive implementation schedule
- Development of Toll Collection System (TCS) and Back-Office System (BOS) policies and business rules

- Development of administrative rules for license plate tolling
- Assist with negotiating and developing an agreement with an E-ZPass Agency for I-Pass/E-ZPass transaction processing
- Prepare Request For Proposals for development, construction and maintenance of all-electronic TCS
- Prepare Request For Proposals for third-party video toll processing and collections services
- Assist in preparation of advertisement for Toll Collection Financial Analyst services
- Tolling Implementation and Operations Support – Oversight of TCS, BOS and video toll processing and collections implementation activities
- Other tasks as assigned.

Any questions regarding the requested services or the Qualifications Based Selection Process should be directed to Steve Coffinbargar, Assistant Director of Transportation – Project Implementation, at (630) 406-7170 or by email at coffinbargarsteve@co.kane.il.us.
