

Request for Statement of Interest (SOI)
Kane County Division of Transportation (KDOT)
Randall Road at I90 Interchange Feasibility Study (Sec. 19-00512-00-ES)

The Kane County Division of Transportation is in need of professional services from a qualified consultant to provide design engineering services. The project consists of studying the feasibility of improvements to Randall Road at I90.

The 2–page Statement of Interest document shall be submitted electronically via KDOT QBS no later than 4:00 pm on May 10, 2019. If you plan to enter into a joint venture with another firm for this project please note this on your Statement of Interest, including the name of the firm you are entering into a joint venture with for this project. The Short-listed firms will be posted on our Consultant Selection Summary Table website at <http://www.co.kane.il.us/dot/SOISummary.aspx>.

Any new firm interested in doing work with the Kane County in regards to this or any other future professional service, must first submit their Prequalification Document to Kane County by following the instructions found at <http://kdot.countyofkane.org/Shared%20Documents/QBS.pdf>. The prequalification document will be reviewed and approved in a short period of time if the appropriate documentation was provided. Each firm must first be prequalified in order to electronically submit their Statement of Interest via KDOT QBS no later than the deadline described above.

More information regarding the Qualifications Based Selection process may be found at <http://www.co.kane.il.us/dot/consultant.aspx>.

Firms interested in providing services to Kane County are hereby notified of the Kane County's Ethics Ordinance No. 10-206, in particular, Section 10, page 15. Only the firm that is ultimately selected for these professional services will be required to provide the Ethic Ordinance information directly to the Kane County Division of Transportation as part of the consultant services agreement. The complete Ethics Ordinance No. 10-206 document is available online at the following link [Kane County Ethics Ordinance](#).

A Statement of Interest (SOI) received after the above noted deadline will not be used as part of our consultant selection process.

PROJECT DESCRIPTION

The Kane County Division of Transportation is undertaking a feasibility study to examine potential improvements to the interchange at Randall Road and I90. The effort will include work to address geometric and capacity deficiencies for traffic entering and exiting I90, as well as through traffic on Randall Road. Various alternatives will be considered. The study effort shall include external coordination (agency, municipality and utility) and outreach.

At the County's discretion, the selected consultant for the feasibility study may be retained for potential future engineering phases.

Future design engineering phases will utilize the federal aid process. The project will be completed under applicable IDOT and ISTHA guidelines, including the BLR and BDE manuals, as well as KDOT standards.
