

Request for Statement of Interest (SOI)
Phase II Engineering Services for
Randall Road Transit Infrastructure Improvements

The Kane County Division of Transportation and PACE are in need of professional services from a qualified engineering firm to provide Phase II Engineering Services. The attached *Preliminary Scope of Services/Project Description* provides anticipated items that are necessary as part of this project.

The County anticipates initiating this work in 2015 with contract duration of approximately 1 year.

A Statement of Interest shall be submitted **VIA KDOTQBS** no later than **4:00 P.M.** on **February 13, 2014** and should be addressed to **Jennifer O'Connell, P.E., Senior Project Manager. The SOI shall be submitted in PDF format viewable with the latest version of Adobe reader.**

Statements of Interest received will be used by County engineering staff to develop a short-list of three (3) firms. The County will then submit a Request for Proposal (RFP) and schedule interviews with the short-listed firms.

For more information regarding the SOI, such as content and format of these items, please reference the QBS document found at <http://www.co.kane.il.us/dot/consultant/selectionProcess.pdf>

If the respondent plans to utilize a sub-consultant for any portion of this work please note this on the submitted Statement of Interest.

Short-listed firms will be posted at www.co.kane.il.us/dot. Click on the link labeled "Consultant Selection", then click on the link labeled "Consultant Selection Summary Table".

A Statement of Interest (SOI) received after the above noted deadline will not be considered.

Randall Road Transit Infrastructure Improvements Preliminary Scope of Services/Project Description

Using the Pace Development Guidelines and IDOT's BDE manual the Consultant will develop a set of plans and specifications for the construction of new sidewalks and paths, signage, shelters and safe pedestrian access for PACE bus stops.

The project area is located along the Randall Road corridor from Dean Street northerly to I-90. Proposed locations for infrastructure improvements have been identified by Kane County and PACE staff.

The project will be funded locally and no right-of-way acquisition is anticipated. Some signal modification may be required and would also be funded locally.

Deliverables

The consultant will make three major submittals (preliminary, pre-final and final) of plans, specifications and estimates to KDOT and PACE.
